

## **The Medicine Buddha Mantra**

This recitation is a western rendition of the Tibetan Mantra.  
It is approved by Yeshe Donden the once physician of the Dalai Lama.

### **Short version:**

*Tayata  
Om Bekandze Bekandze  
Maha Bekandze  
Radza Samudgate Soha*

The mantra means:  
May the many sentient beings  
who are sick,  
quickly be freed from sickness.  
And may all the sicknesses of beings  
Never arise again.

### **Long version:**

*OM namo bhagawate Bhaishjaya guru  
vaidurya prabha rajaya tathagataya  
arhate samyaksam buddhaya teyatha  
om bekhajye bekhajye maha bekhajye  
bekhajye rajaya samudgate  
svaha*

The above material was taken from a website that I found quite useful. Besides this translation it gives lots of information about Medicine Buddha including a recording of the Mantra:
